The peer reviews have contributed very significantly to maintain both the quality of this online journal and as a feedback for authors. The same thankful expressions also came from authors for the reviewers' scholarly comments and feedback.

And last but not least, our great appreciation goes to all authors for their writings. For those whose manuscripts have not been accepted for this issue, please do not get discouraged. We invite you to do more research and submit articles again. Your juniors need vivid examples from you, besides, being able to write a good article is a value in itself.
